## Brightening Facial for Pigmented Skin

**This facial is for anyone experiencing pigmentation damage from UV rays of PIH. Fights free radical attack with anti tyrosinase activity to slow melanin production and illuminate the skin. Ideal for mature clients looking to brighten overall complexion.**

**60 min Level 2**

### Treatment Protocol

1. **Micellar Eye and Lip Makeup Remover:** Apply some product to damp cotton pads and remove eye and lip makeup.
2. **Clear Cleanse:** Apply product to the face and then add water to emulsify. Work in and then remove with cool towels.
3. Use a magnifying lamp to analyze skin and record your findings.
4. **Dynamic Resurfacing Cleanser:** Apply product to the skin with water to emulsify and work into skin. Remove with warm towels.
5. **Exfoliating Scrub:** Apply water and massage into skin for 3-5 min. Remove with warm towels.
6. **Bio Cream:** Apply onto the face and neck. Let sit for 5-8 minutes. While product is on preform a mini scalp massage with **Body Serum #10** on temples.
7. Apply **Brightening Serum** in a press and roll motion onto the face and neck.
8. **Body Serum #303.** Apply 6-10 drops of serum in a press and roll motion onto the face, neck and décolleté. Perform a facial lymphatic drainage.
9. **Revitalising Massage Oil:** Apply massage oil to the face, neck and shoulders.
10. **Anti-Oxidant Mask:** Apply evenly over the face and neck. Perform a hand and arm massage with **Anti-Stress Massage Oil**
11. Remove masque and use 4x4 gauze dampened by **Orange Hydrolat** to remove any excess masque still on the skin.
12. Apply **Pigment Response Serum** in a press and roll motion onto the face and neck
13. Spritz with **Orange Hydrolat.**
14. Re-apply **Aromatic Serum** in a press and roll motion over the face.
15. Apply **Refining Eye Gel** with finger pads around eyes and temples.
16. Apply **C+ Bright Priming Moisturiser** to finish.
